

Errata

Rognes, K. 2012. Revision of the Afrotropical species of the *Bengalia peuhi* species-group, including a species reassigned to the *B. spinifemorata* species-group (Diptera, Calliphoridae), with notes on the identity of *Ochromyia petersiana* Loew, 1852 (Diptera, Rhiniidae). *Zootaxa*, 3553, 1-79

Please note the following errors. Especially deplorable is the wrong country assignment of the holotype for *Bengalia roubaudi*

p. 46:

Bengalia roubaudi Rickenbach, Hamon & Mouchet, 1960: 155, 156 fig. 1. Holotype male (IRD, examined), by original designation. Type locality: Democratic Republic of Congo, Brazzaville. For more details, see below.
